MEMORANDUM FOR: Chief, Section Two, Operations and Liaison Branch, FD

SUBJECT : Agent Briefings

Some of the records of the Agency have been examined to determine those agents whose employment status began or changed since 1 March 1963 to the extent a briefing is indicated. Listed below are those agents who apparently did not receive a briefing by the Operations and Liaison Officer. In an attempt to close the loopholes which permit the agent to begin his assignment without a briefing, you are requested to advise the impediment(s) which prevented these agents' briefings.
